First International Abdominal Wall surgery Meeting

President: Pr Farouk SEBAI

Dear Colleagues and Friends,

It is with great pleasure that we welcome you to the International Wall Hernia Surgery meeting , held in conjunction with the 5th Congress of the Tunisian Hernia Society, from December 11 to 13, 2025, in Tunis.

This prestigious event will bring together leading experts, surgeons, and researchers from around the world to share the latest advancements in hernia surgery, exchange experiences, and discuss innovative techniques that shape the future of our field. The congress will feature high-level scientific sessions, live surgeries, and an engaging platform for networking and collaboration.

Tunisia, at the crossroads of civilizations, offers an exceptional setting for this international gathering. We invite you to join us in Tunis to contribute to the success of this event, enrich your expertise, and enjoy warm hospitality of our country.

Looking forward to welcoming you all!
